

Notice of Business Resumption from January 29th (Fri.)

Thank you very much for using our school and for your continued support.

We were temporarily closed from January 21st to 28th due to testing positive of our staff; however, we confirmed to testing negative of all of our staff (except for 3 staff who are under medical treatment due to test positive.) We have resumed our school from Friday, January 29th, 2021.

However, for our customers' health and safety, the following staff will be suspended from work.

- ① Staff who are not confirmed to testing negative on the PCR test
- ② Staff who get a fever
- ③ Staff who are not feeling well

We sincerely apologize for the inconvenience and concern that we have caused. We will continue to work on the prevention of infection after we resume.

We appreciate your continued understanding and cooperation.
